COMMENT SHEET

Thank you for taking the time to provide us with your comments regarding the information presented at Public Information Centre2. Your comments are important.

1. **Please check the category that best describes your interest in the study:**

   Town of The Blue Mountains Resident ____ Area Business Owner _____ Other _____

2. **With expected future developments in the area, traffic volumes on many of the major roads will increase and some level of congestion will occur, particularly if no improvements to the transportation system are undertaken. Seasonal traffic demands that occur in different areas of the Town also increase traffic volumes and levels of congestion significantly.**

   Do you agree with the recommended transportation improvement strategies to address future travel needs? Why?

3. **Do you have any additional concerns about the transportation system within the Town that have not been identified or other recommendations for further improvements?**

4. Please provide any additional comments/concerns you may have about the project. If you require additional space, please attach additional paper to this form.
