

In accordance with the Municipal Drinking Water Licensing Program and the Safe Drinking Water Act, the Town of The Blue Mountains has developed a Drinking Water Quality Management System with the following policy statement:

The Town of The Blue Mountains, consistent with its current policy of providing the public safe drinking water, reaffirms its commitment to supplying safe, consistent drinking water while maintaining and improving the Quality Management System (QMS) meeting regulatory requirements. The Town will continue to strive to achieve these goals through the implementation of a Quality Management System comprised of policies and procedures through risk assessment evaluations, staff competencies, open communication, workplace safety and emergency contingency plans.

If you would like to comment on the Town's Drinking Water Quality Management System Policy, please include your comments in the space provided below:

Please forward any comments or questions regarding the Town's Drinking Water Quality Management System Policy to:
