2. This Agreement shall not be binding upon the Municipality until accepted by it through its proper officers, and shall not be modified or affected by any promise, agreement or representation by any agent or employee of the Municipality, unless incorporated in writing into this Agreement before such acceptance.
3. The Consumer vacating the above-listed premises without notifying the Municipality is liable for all subsequent accounts until a new Consumer is registered at a vacated location. It is the Consumer's responsibility and in his best interest to advise the Municipality in writing when he vacates the premises where he was registered for sewage service.
4. The Consumer agrees that on request of the Municipality at its discretion, he will make a deposit to be held by the Municipality without interest, as a guarantee that the Consumer will fulfill all terms of this Agreement.
5. The Consumer will provide all plumbing on the premises and all sewer lines connecting premises with the point of connection with the public sewer, and maintain the same in efficient condition with proper devices.
6. The rates charged for sewer service are subject to change at any time on receipt of notice from the Municipality.
