

**The Blue Mountains is pleased to announce the commencement of the 2016 Toilet Rebate Program!!
Looking to replace your old, 13 L toilet, with a new, efficient toilet, save money on your utility bill
and preserve the environment ~ why not consider our Program:**

The Blue Mountains is offering a \$50.00 rebate for the purchase of a low flow toilet. The program is available exclusively to residents of the Blue Mountains who are connected to the Municipal water system and who reside in homes built before 1996. Additionally, toilets must replace existing toilets that are larger than 6 Litres per flush.

The Blue Mountains will provide a maximum of (2) two rebates per residence. There are a limited number of rebates available, and will be on a first come, first serve basis.

PLEASE NOTE: The rebate DOES NOT apply to toilets installed as a result of new construction or additions.

Here's How It Works:

- a) Purchase a Toilet from our Approved Toilet Listing. You can download a copy of the listing by visiting our website at www.thebluemountains.ca or request a copy by calling 519-599-3131 Ext. 285.
- b) Once it is determined that your toilet is eligible from the approved listing, enclose a copy of your original receipt and complete the "Blue Mountains' Residential Toilet Program Application Form" and return to The Blue Mountains Municipal Office. Be sure to include your Water Service Account Number.
- c) Following receipt of your approved application, a Credit will appear on your Utility Account.

Terms and Conditions

PLEASE READ CAREFULLY
