Town of the Blue Mountains
Thornbury, On.
N0H 2P0

To Whom this concerns

We, Vera Lloyd and Glenn Weatherall attended a meeting last week in Thornbury concerning the Forest known as Kolapore. The people in attendance didn't understand why the ATV's were not allowed in this township or Forest.

We feel it is time for the Dufferin Grey ATV Club to approach Blue Mountains concerning ATV's. I personally was on the committee when Georgian Trail Riders ATV club was asked to change their name to Central Ontario ATV in hopes of being welcomed into Blue Mountain area back in 2003. Now I am the President of the local Grey County ATV club and have been welcomed by all townships except Meaford and Blue Mountains. .

Please make appointment on the Council agenda for us to come and talk with you concerning ATV's, our Insurance and a sample of other bylaws that have been approved and we will try to make a bylaw that will be suitable to all. .

You can reach me at 599 6889 or vdlmyspace@gmail.com

Yours truly,

Vera Lloyd President
Dufferin Grey ATV Club
