

Public Information Centre

Peaks Road and Wensley Drive
Sanitary Servicing and Road Reconstruction

Saturday, January 21st 2012
10:00am – 12:00pm

Town of The Blue Mountains Municipal Office
Council Chambers
32 Mill Street, Thornbury

The Town of The Blue Mountains is proceeding with the installation of sanitary sewer and watermain upgrades on Wensley Drive. Property owners on Wensley Drive were advised by the Town via a letter dated June 10, 2010 of a proposed municipal capital improvement project that would affect their property (sanitary sewer servicing and road reconstruction). At that time, the Town advised residents of Wensley Drive that as property owners they would see a direct benefit from the construction project and as such will be assessed a portion of the costs of the project.

What is a Public Information Centre (PIC)?

A PIC is a forum with Town Staff. For the purposes of this PIC, Staff will be offering information to you regarding the Peak's Road and Wensley Drive Sanitary Servicing and Road Reconstruction. A presentation of the information will start promptly at the beginning of the PIC session.
