

Public Information Centre

Slabtown Bridge Replacement

Saturday, December 17th 2011
10:00am – 12:00pm

Town of The Blue Mountains Municipal Office
Council Chambers
32 Mill Street, Thornbury

The Town of The Blue Mountains is proposing to replace the Slabtown Bridge in the summer of 2012. Gamsby & Mannerow Limited (G&M) has been retained by the Town to design and administer the contract for the new structure. As such, the Town, with the assistance of Gamsby & Mannerow, will be holding a Public Information Centre (PIC) to discuss the design objectives and receive input from the Slabtown Community on such matters.

What is a Public Information Centre (PIC)?

A PIC is a forum with Town Staff. For the purposes of this PIC, Staff will be offering information to you regarding the Slabtown Bridge Replacement. A presentation of the information will start promptly at the beginning of the PIC session.
