A. Recommendations

THAT Council receives Report EPW.09.106 entitled “Beaver River Bridge Resurfacing – October 29, 2009 PIC #1” for their information.

B. Background

The Town is undertaking the rehabilitation of the Beaver River Bridge and have employed Ainley & Associates as the Consulting Engineers working on the design for the Beaver River Bridge Resurfacing project.

The Ainley Group have provided a display board presentation for the upcoming Public Information Centre #1, being held on Thursday October 29, 2009 at the Leonard E. Shore Memorial Library from 7:00 p.m. to 9:00 p.m.

The purpose of the Public Information Centre #1 is to introduce the project to the public & solicit comments with respect to traffic impacts & design concept (architectural look). There will be an opportunity for the public to fill out a comment sheet. All comments received will be considered and become part of the public record.

C. The Blue Mountains’ Strategic Plan

These works address the Town’s Strategic Plan Goal #2 “Addressing the Town’s Municipal infrastructure needs”.

D. Environmental Impacts

None.

E. Budget Impact
