

Deputation: To Town of The Blue Mountains Committee of The Whole

Meeting Date: April 25, 2016

From: The residents of Peaks Bay adjacent to Block 29

Re: Report No: CSPW.16.049

Subject: Peaks Bay Holding Block 29 Waterfront

The residents of Peaks Bay, adjacent to Block 29, would like to thank Town staff for the significant amount of time and effort they have devoted to investigate the concerns noted by one resident in Peaks Bay and note that the proposed plan, takes these issues into consideration, while respecting the Area of Natural and Scientific Interest ANSI

We are pleased that the report addresses all of the concerns noted and we would like to advise the Committee of The Whole, that the Residents of Peaks Bay, adjacent to Block 29, are in agreement as follows:

- We agree with Staffs statement from their Consultation with existing Residents adjacent to Block 29
- We agree with Staffs conclusion
- We agree with Staffs proposed Next Steps

In Summary, we are in complete agreement and support of report CSPW.16.049 and recommend that Council approve this report as written
