

STAFF REPORT: ENGINEERING AND PUBLIC WORKS DEPARTMENT

REPORT TO: **Committee of the Whole**
MEETING DATE: **April 7, 2014**
REPORT NO.: **EPW.14.005**
SUBJECT: **Assumption By-law for
Registered Plan 16M-4 – Pyatt
Avenue and Pyatt Court**

PREPARED BY: **Mike Campbell, Construction
Coordinator**

A. Recommendations

THAT Council receive Staff Report EPW.14.005, “Assumption By-law for Registered Plan 16M-4 – Pyatt Avenue and Pyatt Court”;

AND THAT Council enact a By-law to approve full acceptance and assumption of the public works constructed and installed within Registered Plan 16M-4, Pyatt Avenue and Pyatt Court.

B. Background

The developer of the Kingside Stonegate Subdivision (Registered Plan 16M-4, Pyatt Avenue and Pyatt Court, as shown on Attachment 1) advanced the development to Basic Services and it is reported that the lots were sold to a builder who constructed homes and sold these homes to individuals. The developer did not advance the project to completion once the bulk of the homes were constructed as would be expected. There was also an issue of non-performance with plowing the roads in the subdivision which was a developer responsibility until assumption of the subdivision. The developer was not responsive to correspondence sent to their last known address regarding their responsibilities.

Following an extensive internet and Toronto Stock Exchange records search, the developer was located. After several rounds of correspondence with the signatory of the Development Agreement and their reported partner, Staff declared the developer in default of the Agreement in accordance with the appropriate terms in the Agreement. As able under the Agreement, the Town caused the Works to be completed by utilizing the development securities.

The Town costs included the direct contract costs to correct deficiencies and complete the works, Staff time to develop and administer the contract plus past snow plowing costs. The available securities covered the direct contract costs as well as the bulk of the Staff time and snow plowing costs. There were no surplus securities that could be returned to the developer.

Now that the Works are completed, it is appropriate for the Town to assume the ownership of the Public Works within the development. All Department heads have acknowledged clearance of the acceptance and assumption of the works.

A draft by-law has been prepared to initiate the following and is provided as Attachment 2.

1. All of the public works constructed and installed in accordance with the subdivision agreement for Registered Plan 16M-4 are hereby accepted and assumed.
2. Pyatt Avenue and Pyatt Court shown on Registered Plan 16M-4 are hereby assumed for public use.

Staff recommend Council enact a By-law to approve full acceptance and assumption of the public works constructed and installed within Registered Plan 16M-4, Pyatt Avenue and Pyatt Court.

C. The Blue Mountains' Strategic Plan

Town's Strategic Plan Goal No. 2 "Addressing the Town's Municipal Infrastructure needs" is in part satisfied by the recommended action.

D. Environmental Impacts

Not applicable

E. Financial Impact

The Town will now become responsible for all operation, maintenance and ultimate replacement costs associated with public works within Registered Plan 16M-4. Future Town budgets will make allowance for these costs.

F. In Consultation With

David Finbow, Director of Planning and Building
Robert Cummings, Director of Finance and IT Services
Shawn Everitt, Director of Community Services
Ron Doherty, Fire Chief
John Metras, Town Solicitor

G. Attached

1. Registered Plan 16M-4.
2. Draft Assumption By-Law for Registered Plan 16M-4.

Respectfully submitted,

Mike Campbell
