**Report To:** Committee of the Whole  
**Meeting Date:** December 5, 2016  
**Report Number:** CSPW.16.158  
**Subject:** Request to Execute Harbour Management Agreement with Department of Fisheries and Oceans Canada  
**Prepared by:** Ryan Gibbons, Harbour/Cemetery Manager, Building Maintenance Coordinator

---

### A. Recommendations

---

THAT Council receive Staff Report CSPW.16.158 entitled "Request to Execute Harbour Management Agreement with the Department of Fisheries and Oceans Canada",

AND THAT Council direct Staff to bring forward a By-law permitting the Mayor and Clerk to execute the Harbour Management Agreement 201506 ON 010 with the Department of Fisheries and Oceans Canada for a five (5) year term retroactive to July 12, 2015 ending July 11, 2020.

### B. Overview

---

In order to execute the Harbour Management Agreement with the Department of Fisheries and Oceans Canada (DFO), the Town must enact a By-law. The agreement is standard with all remaining Small Craft Harbours owned by the DFO and does not allow for negotiation.

### C. Background

---

The Thornbury Municipal Harbour is owned by the DFO, Small Craft Harbour Division, and is operated by the Corporation of the Town of The Blue Mountains. The former Town of Thornbury secured a renewable lease with the Federal Government in July of 1985 to operate the Thornbury Municipal Harbour. The lease requires the Town to pay \$500.00 (five hundred dollars) per annum plus tax or 20% gross revenue plus tax, whichever amount is greater.

The Harbour Management Agreement is based on a five (5) year term that expired July 12, 2015. The DFO provided the Town with a letter dated July 2, 2015 and a new agreement dated retroactively to July 12, 2015 and stated in the letter that until the agreement was executed the Town was to continue business as usual and that all previous terms and conditions of the previously approved Harbour Management Agreement would stay in effect until a new agreement had been distributed and authorized.

The Town must enact a By-law in order to enter into the agreement with the DFO for a five (5) year term retroactive to July 12, 2015 ending July 11, 2020.

Town Staff contacted representatives from the DFO, Small Craft Harbour Division, and in February of 2016 formally requested to negotiate the terms of the lease. It was noted that the lease is standard for all Small Craft Harbours within the control of the DFO. The DFO, Small Craft Harbours Division, cannot negotiate the terms of the lease. Staff believe that negotiations would have to take place with the Minister of Fisheries, Oceans and the Coast Guard.

Town Staff reviewed several options in an effort to limit the lease payment. Through discussions, Town Staff communicated with the representatives from the DFO a number of times to consider alternatives. After further review and consideration, it was concluded that the recommendation as presented in this report is the only viable option at this time.

## **D. Analysis**

---

Execution of the Harbour Management Agreement will allow the Town to continue operating the Thornbury Municipal Harbour and providing service to boaters and economic benefit to local businesses.

## **E. The Blue Mountains Strategic Plan**

---

Goal #4: Promote a Culture of Organizational & Operational Excellence

## **F. Environmental Impacts**

---

None.

## **G. Financial Impact**

---

For 2015, the gross revenues for the Harbour were \$354,642.80 which resulted in a lease payment to the DFO of \$70,928.56. Once the By-law is passed by Council and the agreement is signed by the Mayor and Clerk Staff will make this payment.

Once the 2016 year-end is completed and all revenues are accounted for, the 2016 payment will be made to the DFO. The 2016 payment will be similar to the 2015 amount.
