MAY 19 2011

Mr. E. Clifton Carr
145 Bruce Street South
Thornbury ON N0H 2P0

Dear Mr. Carr:

As you are aware, you were reappointed to the **Town of Blue Mountains Police Services Board** until June 13, 2011, at which time your appointment will expire.

Pursuant to subsection 27(10) of the *Police Services Act*, I hereby reappoint you to the Town of Blue Mountains Police Services Board, effective June 14, 2011, for a period of six months or until such time as a new member has been appointed by Order in Council, whichever occurs first.

I would like to take this opportunity to thank you for your continued and valuable service to the Town of Blue Mountains Police Services Board.

Yours sincerely,

A handwritten signature in blue ink that reads "Jim Bradley".

Jim Bradley

Thornbury, Ontario
N0H 2P0

Dear Mr. Keast:

Representatives from the Community Policing Association, the Town of the Blue Mountains, and the local detachment of the Ontario Provincial Police have expressed their concern with motorist compliance of the currently posted 50 km/h zone in the built up area along Highway 26 at the east limit of Thornbury. These groups have requested that the Ministry consider a reduction of the adjacent 80 km/h speed zone to promote lower speeds on the approach to the 50 km/h zone, and better speed limit compliance within the existing 50 km/h zone.

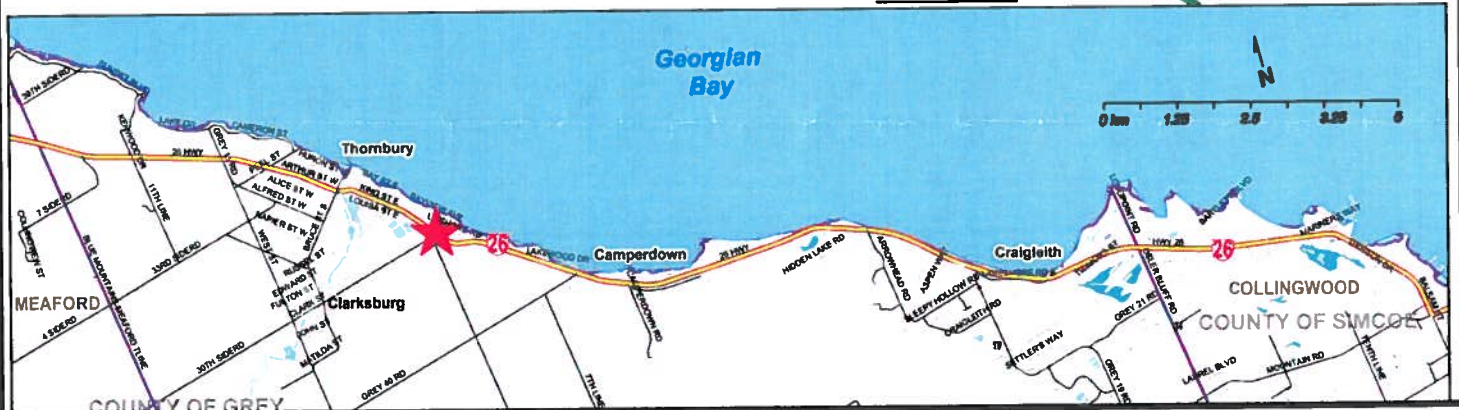

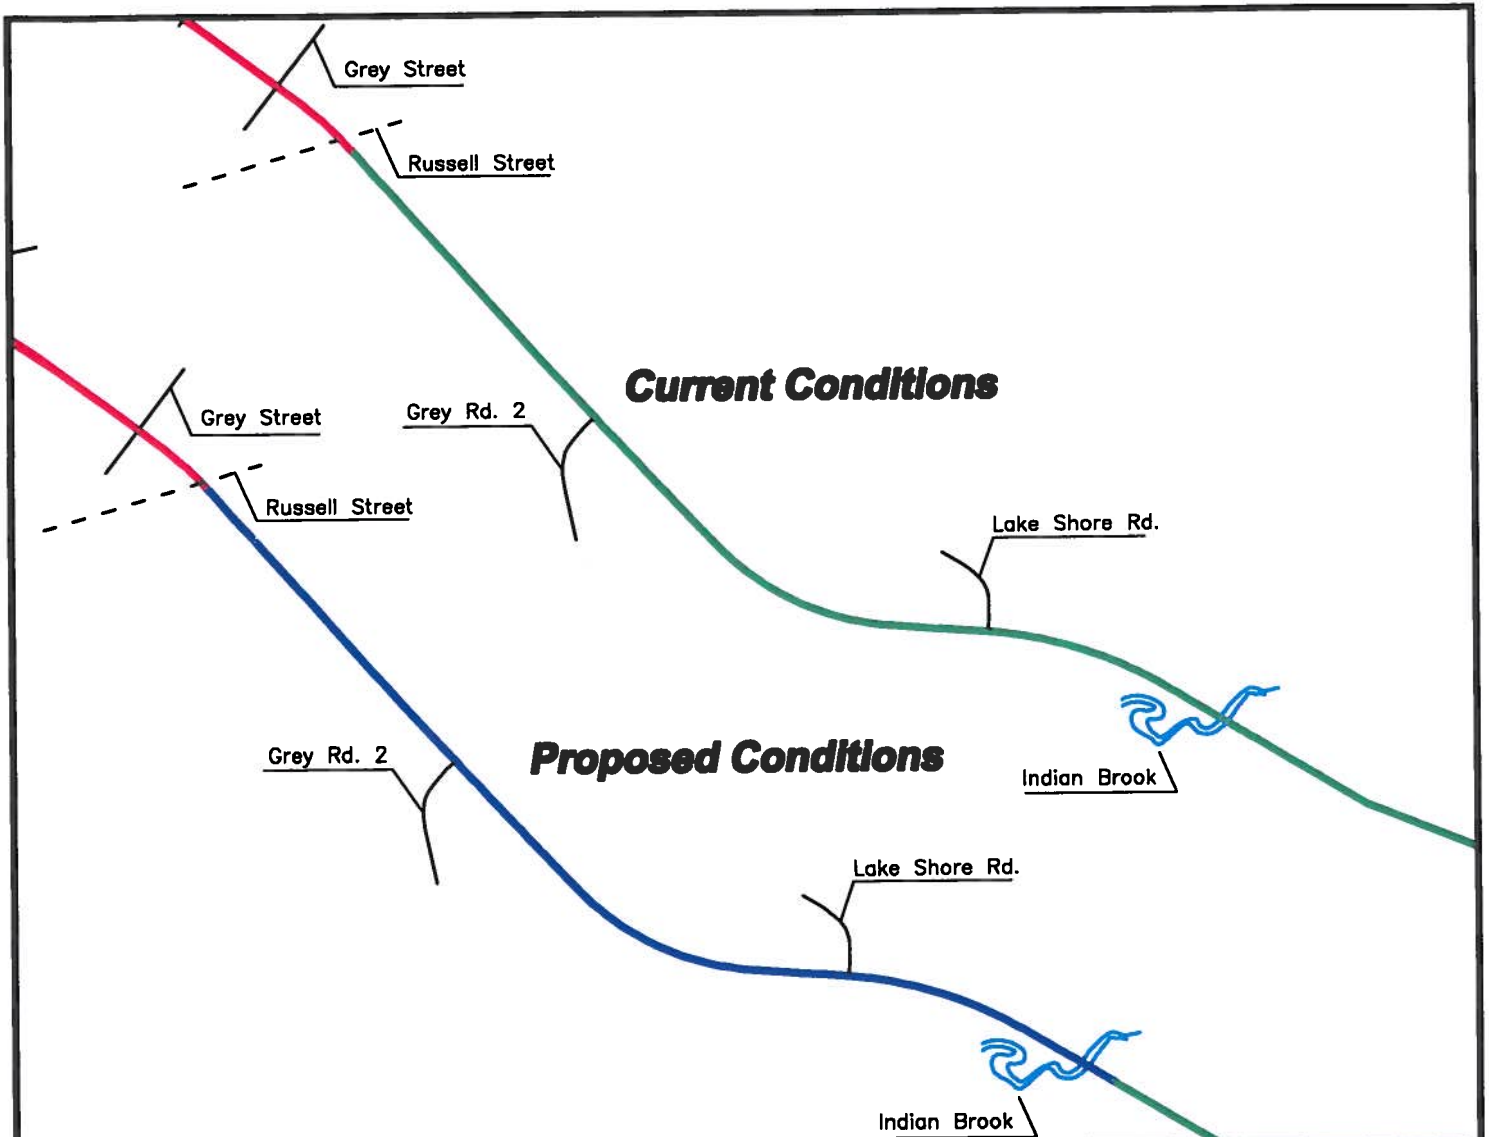

A review was undertaken by the Ministry to determine the appropriate posted speed for this section of Highway 26. The results of our study indicate that a 70 km/h speed zone extending from the east limits of Thornbury easterly to Indian Brook Bridge would be appropriate.

Attached for your information, please find an illustration identifying the location of the proposed reduced speed zone, and a copy of our response to Mr. Larry Hall, Chair of the Community Policing Association summarizing our review and recommendations.

Yours sincerely,

Kari Fellows, P.Eng., PTOE
Head, Traffic Section
West Region

March 30, 2010

Mr. Larry M. Hall, Chair
Community Policing Committee
Town of the Blue Mountains
RR 2
Clarksburg, Ontario
N0H 1J0

Dear Mr. Hall:

Thank you for taking the time to meet with us on February 12, 2010 regarding the speed limit along Highway 26 east of the town limits of Thornbury.

As agreed, the Traffic Section has reviewed the speed limit using the new TAC methodology and considered the additional information discussed in our meeting. The updated analysis suggests a speed limit of 70 km/h for this section of Highway 26 would be appropriate.

We support a 70 km/h speed zone extending from the east limits of Thornbury easterly to Indian Brook Bridge. The process to lower the speed limit has been initiated and is subject to approval by the Minister of Transportation. We will keep you informed of the progress of the proposed speed limit change.

It is anticipated that the boundaries of this proposed 70 km/h speed zone will be reviewed in the future if Lakeshore Road is closed, the Georgian Trail crossing is relocated and/or the intersection of Grey Road 2 and Highway 26 becomes signalized. If future conditions support relocating the boundary of the 70 km/h speed zone, we will initiate further changes at that time.

I trust you will find this satisfactory. Thank you for sharing your concerns and experiences and expressing your interest in highway improvement and safety. If you have any questions please contact me at 519-873-4356 or Kari.Fellows@ontario.ca.

Sincerely,

A handwritten signature in black ink that reads "Kari Fellows".
