B. Background

The Town is in receipt of a request from the Operator of the subject premises for relief from the provisions of the Noise By-law (Attachment 1) on various dates and times similar to previous years.

By-law Enforcement did not receive any complaints in 2011 and nothing so far in 2012.

Section 3 e) of the Noise By-law permits the making of noises or sounds related to the non-residential use of land permitted by a by-law enacted by the municipality pursuant to the applicable Zoning By-law from 07:00 to 19:00.

It is noted that outdoor events in themselves outside of 07:00 to 19:00 are not prohibited. The making of noise is prohibited in the instance where such events are likely to disturb the peace, quiet, comfort or repose of any inhabitant.

In accordance with the procedures set out in our Policy & Procedures for Noise By-law Relief Requests, the residents within 60 metres were circulated. This is to confirm that no responses were received from this circulation as of July 10, 2012.

Noise By-law Relief Request

Event: The Dam Pub – Summer 2012 Live Music

Date: Saturdays only, from Sat June 30th – Sat Sept 1st

Time: 8-10pm

Location: The Dam Pub – Patio

Type: Various soft music genres that appeal to our customer base. See attached schedule.

To: Town of Blue Mountains Council

With respect to The Town of Blue Mountains Noise by-law, we are asking for a variance for specific dates this summer. *See attached schedule.*

The Dam Pub is drawing musicians from all around the world as well as supporting our local musicians. The genres of music vary from traditional Celtic, R & B, Classical, Folk, Jazz & Blues. In most cases the performances are solo artist and acoustic instruments.

The Dam Pub has become a destination for food, drink, service and entertainment. Our surveys show that many folks travel from out of town and stay, shop and eat in Thornbury, building a strong partnership with our local businesses. We are proud to be a contributor to Thornbury, providing employment and stimulation to our local economy.

In respect of our neighbours, we have chosen Saturdays and a civilized 8pm to 10pm performance time. The artists chosen must fit the respectful criteria ensuring there is no loud, electronic music and voices. Our customer base is that of a mature, affluent demographic which makes for an easy going and enjoyable event for all.

We are requesting a variance in respect to the noise By-Law for the dates outlined in the attached schedule. We look forward to a positive and supportive response from Council.

Sincerely,

Stephanie Price
