B. Background

In early October of 2011, Staff was approached by the Beaver Valley Athletic Association Catering Committee regarding the donation of new stoves/ovens for the kitchen of the Beaver Valley Community Centre. The existing stoves/ovens are 25 years old and cooking at inconsistent temperatures. This is becoming a food handling and health department concern. The Beaver Valley Athletic Association Catering Committee have contacted 3 suppliers, obtained quotes and supplied staff with a letter of intent to donate which is attached to this report. There is no cost to the Town for the supply and installation of the stoves/ovens.
