THAT Council receive Staff Report DOR.11.73 entitled “ Beaver Valley Kinsmen Club Donation of a new score clock for the Beaver Valley Community Centre” for information purposes only.

B. Background

In the proposed 2012 budget, staff submitted a capital sheet for the replacement of the existing score clock at the Beaver Valley Community Centre. The funding for this capital project was proposed at a 50%/50% split with a donation from the Beaver Valley Kinsmen Club. When the Kinsmen club were approached about a possible donation towards this project, they agreed on funding the entire purchase and installation. The total cost of the project is approx. \$10,000.

The existing score clock is currently in its 19th season. The score clock has been showing signs of inconsistent operation for the past year.
