DRIVE FORE TEENS

Winter Safe Driving Program

MAYOR ELEN ANDERSON
TOWN OF THE BLUE MOUNTAINS

This year will mark the fifth year of the Drive fore Teens tournament. Since 2007, with the support of companies like yours, we have been able to raise close to \$40,000 for local teens in the Thornbury and Meaford areas.

This year we will have reached the 100 teen mark, which means that over the past four years over 100 of our local teens have participated in and passed the safe driving program. The grade 12 Pursuits Program at G.B.S.S. has also have benefited from our fundraising tournament. We have been able to help them purchase new tents, new canoes and much needed equipment to help them expand their outdoor education and leadership program.

We hope that your company will be able to continue to support our tournament again this year by sponsoring a hole and sending players to participate in a great day of fundraising and fun golf.

You can either call me at (705) 441-0865 or email me at baygolfacademy@georgian.net to sponsor a hole, register your team or donate prizes for the event.
