Subject: Usage of Town Hall Space

Hello Lisa,

We are members of the Beaver Valley Probus Club (a non profit organization) . We are organizing a Digital Camera Interest Group within the Probus Club. There are approximately 25 to 30 interested members at this point. We plan to meet during business hours, probably once a month and would required a space with a digital projector and screen. The planned date for our first meeting is Thurs. Oct 20 from 1 to 3 PM.

Please consider this request and we can be reached at 519-599-5553 or by return email.

Regards,
Peter and Ann Smith
131 Lakewood Dr.
