

STAFF REPORT: BUILDING & BY-LAW DEPARTMENT

REPORT TO: Council
MEETING DATE: December 22nd, 2008
REPORT NO.: SRB.08.65
SUBJECT: Amendment to By-law No. 2003-11 – Parking By-law
PREPARED BY: Sharon Long, Admin. Assistant

A. Recommendations

THAT this Council receive Staff Report SRB.08.65 and enact the amendment to the Parking By-law attached hereto.

B. Background

1. This report was scheduled for November 25th & December 10th, 2008 Engineering & Public Works Committee meetings but both dates were cancelled.
2. Concern has been expressed by emergency service providers respecting access to the Apple Bowl Parking Area as well as to the private residence and the Bed & Breakfast located to the south of the Blue Mountain Inn.
3. To address this, Town staff are recommending that "both sides – full length" of Ann Heggveit Drive be designated as "No Parking". In addition, By-law Enforcement and the OPP will proactively enforce the area designated as a Fire Route (extending north from Ann Heggveit Drive).
4. By-law 2003-11 describes Ann Heggveit Drive – Portion So Designated – On the southernmost side along the entire length thereof. The proposed By-law will change this to read – Both sides – full length.

C. Budget Impact (cc. Treasury if required)

3 poles and 3 posts for the north side. The south side signs are old and tired and should also be replaced. Would need to be done before the ski/board season. I will take care of the By-law.

Hi David

I can support this request. What signage is required? We are running short of posts.

It may be a week or two before we can put up more signs

Jim - The current Parking By-law only designates the southernmost side as "No Parking", would you be supportive of a By-law amendment for both sides to be so designated?

Wayne - Please address the fire route signage on the private road from Ann Heggveit north with BMR (posts and proper spacing of signs). Brenda has some photos for this area.

Thanks,

DF
