Greg

The local unit of the Canadian Cancer Society is holding their fifth Rely For Life July 15-16, 2011 (7:00pm to 7:00am) at the Beaver Valley Community School. In the past relief from the Noise By-Law has been requested and granted. There is a sound system used to provide information and some entertainment to the participants at the event. Each year in the past, a committee member has contacted all of the neighbours on Russell Street about the event to explain what will be happening. This would be done again.

We would request that a similar Relief from the Noise By-Law be granted for the event this year. If you need further information, please contact me:
