Sanitary System at Blue Mountain
Project Number: 27559

Objet : Réfection du réseau d'aqueduc et sanitaire
du plan 915 à Blue Mountains
Numéro de projet : 27559

Dear Ms. Prince:

Madame,

On June 5, the federal and provincial governments made the largest combined infrastructure announcement in Canada's history. Communities across Ontario will receive nearly \$3.4 billion in joint federal-provincial-municipal funding for nearly 1400 key infrastructure projects, through the Infrastructure Stimulus Fund and the Building Canada Fund – Communities Component.

Le 5 juin, les gouvernements fédéral et provincial ont annoncé le plus important investissement combiné dans les infrastructures de l'histoire du Canada. Les collectivités de l'Ontario profiteront d'investissements conjoints des gouvernements fédéral, provincial et municipal. Ces investissements représentent une somme de près de 3,4 milliards de dollars qui servira à financer près de 1 400 projets d'infrastructure clés et sont versés dans le cadre du Fonds de stimulation de l'infrastructure et du volet Collectivités du Fonds Chantiers Canada.

We are pleased to confirm that based on your application submitted under Intake Two of the Building Canada Fund – Communities Component (BCF-CC), the governments of Canada and Ontario will each invest up to \$1,363,849 toward the eligible costs of the project described above. **Your project is approved as of June 5, 2009, and may begin construction. All eligible costs incurred from that date will be reimbursed following the signing of a contribution agreement.**

Nous sommes heureux de confirmer que votre demande présentée dans le cadre du deuxième appel de demandes du volet Collectivités du Fonds Chantiers Canada (VC-FCC) recevra respectivement des gouvernements du Canada et de l'Ontario une somme pouvant atteindre 1 363 849 \$ destinée à couvrir les coûts admissibles du projet mentionné ci-dessus. **Votre projet est approuvé en date du 5 juin 2009 et les travaux de construction peuvent commencer. Tous les coûts admissibles engagés à partir de cette date seront remboursés à la suite de la signature d'une entente de contribution.**
