Thank you for the new sidewalk
adjacent to to Chrimung Residence
on Bruce Street South.

Many residents, with their walkers,
now enjoy a non-bumpy walk on it
as part of their nice-day exercise.

It joins nicely with the Pedestrian
Walkway at Alice Street provided by the
Grey County.

We can even watch the dogs being
walked by their owners, staying on
smooth sidewalk rather than running
away.

Again thank you. One week, after
Hallowe'en, and it was made!

P.S. We heard (and saw) you "PULL UP
STAKES"!
