Dwight Burley called the meeting to order at 3:08 pm. The meeting began with a welcoming statement from Kim Wingrove, followed by self-introductions for all in attendance.

Terry Mokriy defined the meeting to be an informal session for information sharing and discussion. He presented material on behalf of the Multi-Municipal Long-Term Care Working Group (MMLTCWG), a copy of which was provided to all in attendance. The presentation was followed by a brief discussion. Terry Mokriy expressed thanks for the meeting and the opportunity to maintain an open line of communication.

Stewart Halliday acknowledged the presentation as being received by the County of Grey, and suggested that the information be directed to the County's Long-Term Care Committee of Management for consideration. Dwight Burley, Chair of that Committee, advised that their next meeting is Tuesday, March 13th. He will ask staff to add the presentation to the agenda. Following that Committee meeting, Mr. Burley suggested another meeting with the MMLTCWG may be in order.

Paul McQueen thanked everyone for their time and confirmed that the MMLTCWG will be continuing its efforts to keep Grey Gables.
