ENGINEERING & PUBLIC WORKS
TOWN OF THE BLUE MOUNTAINS

October 1 2009

Mr. Reg Russwurm
The Town of the Blue Mountains
26 Bridge Street East, Box 310
Thornbury, ON N0M 2P0

Dear Mr. Russwurm,

The OWWA/OMWA Joint Conference will be in The Town of Blue Mountains/The Town of Collingwood in 2011. It is customary for The Town of Blue Mountains/The Town of Collingwood to sponsor the 2010 Conference Monday continental breakfast. The 2010 Conference will be held in Windsor from May 2nd – 5th at Caesar's Windsor.

The conference has expanded considerably over the years with past conferences bringing in over 1000 attendees.

This high profile Conference and Tradeshow plays a large role in presenting the drinking water industry with an opportunity to learn about leading edge technology, to network and provide input into the Ministry of the Environment's plans for legislation and regulation.

As the Conference Management Chair of the OWWA, it is my responsibility to organize the 2010 Conference. I am hoping that The Town of Blue Mountains will co-host the continental breakfast with The Town of Collingwood by contributing \$2500 of the \$5000 donation towards the breakfast. This will highlight The Town of Blue Mountains and the Town of Collingwood as the upcoming venue for the 2011 Joint Conference.

I will be in touch with you shortly to confirm the \$2,500 donation. In the meantime, should you have any questions, please do not hesitate to contact myself at 519-881-3624 or Laura Libralesso at the Section Office at 416-231-1555 x221.

Sincerely,
Saad Jasim

Conference Management Chair
OWWA Vice President
