

further the authority to quash Town parking infraction notices issued by the OPP lies with the OPP.

Staff recommends that the ticket not be rescinded because the Town By-Laws and polices are clear.

The Town's Planning Department is currently looking at parking related issues and a report is pending. On street parking and permit parking are being considered, however, the recommendations have not been finalized.

### **C. The Blue Mountains' Strategic Plan**

This report furthers the Town's Strategic Goal #2 "Addressing the Town's Municipal infrastructure needs"

### **D. Budget Impact**
