Dear Mayor and Council

RE: GTDI Annual Spring Dinner – Wednesday June 15, 2010

On behalf of the Board of Directors for the Georgian Triangle Development Institute, we would like to invite each member of local Councils to attend our Annual Spring Dinner on Wednesday June 15, 2011 at the Cranberry Bear Estate.

The theme for this year's dinner is affordable housing and our guest speaker is Michael Shapcott. Michael Shapcott is Director, Housing and Innovation, at the Wellesley Institute – a Toronto think tank. During his presentation, Michael will provide a lively overview of more than 60 years of Canadian housing history – to mine useful lessons from post-war experiments in slum eradication and public housing, through the mixed-income social housing era starting in the 1970s and affordable ownership initiatives in recent decades. The goal is to stimulate new thinking about public and private partnerships and sustainable financing to meet the age-old need for a healthy, affordable home in the Georgian Triangle. His presentation will be followed by a question and answer session.

We have attached a flyer for the event as well as a registration form, which can be sent to Krystin Rennie at info@gt di.ca, if you wish to attend.

We look forward to a great evening.

Sincerely,
