Community Policing Committee Activity

The Community Policing Committee's new Chair, Mr. James Bertram was introduced to the Community Policing Committee. Mr. Bertram was updated on the Committees programs and involvement. We expect Mr. Bertram to be an excellent addition to the Committee and look forward to what direction he takes us into the future. Their next week will be in June or August, 2016.

Detachment Update:

The Blue Mountains Detachment is in good repair and receives constant attention from building manager Ryan Gibbons.

On the 27th and 29th of May the Grey County Road will be underway in the Blue Mountains, Clearview and Grey County areas. The time trials should take 4 hours, will be held on Friday and start and end at the Beaver Valley Community Centre. On the Sunday the start and end is in the Blue Mountain Resort area. This event should be approximately 8 hours.

On Friday the 17th of June, The Blue Mountains is hosting Municipal Services and Partners Day. Our detachment will have our Emergency Response Team, Crowd Management Team and all-terrain vehicles present for display.

The OPP continue to work with Blue Mountain Security on violent crimes. They will be participating in an event which will hopefully reduce the assaults and other crime related matters in the Village area.

The theft noted is most related to ski equipment.

The OPP continue to undertake a lot of criminal record checks. John Trude advised that the organization as a whole is trying to resolve this issue. Crime checks have become very popular with community organizations and The Board of Education. John advised that any parent wanting to be a chaperone an event for children must have a criminal record check completed. Minor sports coaches etc. has to be done also. The OPP are trying to have a centralized location – e-mail to this address and it will get completed in one place. This process will take about a year to complete and John advised that Patty Lower currently does all the criminal record checks at this office.

Martin Mazza questioned if anything has changed with respect to the Board of Education.

John advised that they worked this out with the Board of Education which cuts back on administration.

Cam Kennedy advised that the Marsh Street Centre is looking at hold a kids program.

John advised that there were 4 threat assessments on people in March of 16.

Cam questioned who this involves.

John advised it involves anyone working with vulnerable people. If you are dealing with vulnerable children or adults and have a criminal record from the past, a threat assessment has to be completed.

Len advised this puts a lot of responsibility on the Inspector.

Martin advised that they have started doing this at the hospital and confirms it is an administrative burden. Martin advised that the hiring process has been held up for weeks when a similar name was found.

Cam asked if there was anything in place for refugees.

John advised that there is screening done at the country or point of origin. John advised that the country of origin likely does not exist anymore. John further advised that other counties do not act the same as we do.

opportunity for evaluation on an annual basis. If the Board is not happy with the performance, your evaluation would reflect that. The OPP would then corporately review this.

E. Other Business

E.1 Debbie Crosskill Deputation to Council – May 9, 2016

John McKean advised the Board that Debbie Crosskill made a deputation to Council on May 9th, 2016 advising that citizens on Marsh Street and Matilda Street have noted concerns about speed limit and truck traffic in this area. John advised that they are looking to the OPP for increased enforcement in this area. They also raised questions as to where the community policing signs are located and John advised he will contact the County of Grey for this information.

John asked the OPP if they could have more police presence in this area. John would also like statistics kept for this area also.

John Trude advised that if trucks are empty when they are going past, it sounds like they are moving faster than they really are. John confirmed that statistics will be presented to the Board at the next meeting. John also suggested that we contact the County of Grey to use their speed sign for this area. John suggested we try to get the sign that records vehicle numbers and speed limits.

John McKean asked the Chair to send a letter to Debbie Crosskill confirming that the OPP provide additional presence in this area, the County of Grey speed sign will be installed and statistics will be obtained.

E.2 John Trude Retirement

Cam Kennedy thanked John Trude for his years of service with the OPP in this area.

John thanked the municipality and The Police Services Board for the great working relationship that he has received. John advised that he has seen a lot of changes during his time here.
