

NOTICE OF NAMING OF A SECTION OF MUNICIPAL HIGHWAY

NOTICE is hereby given in compliance with Town Policy that The Blue Mountains Council will consider a By-law to formally name that section of municipal highway running north from the terminus of Lora Bay Drive in Plan 16M-8 to Sunset Boulevard, as Sunset Boulevard. Properties fronting this section of municipal highway currently feature civic addresses noting Sunset Boulevard. Formally naming the highway section by By-law and installing new signage will eliminate any confusion with the proper name of the highway section.

Council will consider the proposed By-law at the Council Meeting of August 18, 2008, beginning at 7:00 pm, L.E. Shore Memorial Library. The Town's Notice Policy requires that all affect landowners be given notice of the proposed highway section naming By-law.

Background

In Registered Plan 442, the original internal municipal highway was named Lakeshore Drive through the Plan, terminating in the east at Lot 39. Plan 440 terminated in the west at 39/40 Sideroad, and west of this the highway name changed to Sunset Boulevard for the most part through Concession 12, the highway name changing to George Street for the final section west to the Townline at the Christie Beach Conservation Authority area.

As part of the initial civic numbering project, Township of Collingwood By-law No. 95-51 changed the names of a number of highway portions so as to harmonize highway sections for civic numbering, including the re-naming of George Street and Lakeshore Drive to Sunset Boulevard.

At the request of the developers, the name of Kenwood Drive was then changed to Lora Bay Drive by By-law 2004-17, the By-law referring to the highway section between Highway 26 and Sunset Boulevard.

Registered Plan 16M-8 shows Lora Bay Drive terminating approximately 120 metres north of the turning circle with Lakeshore Drive then shown as the name for the highway section leading to Sunset Boulevard. This is the subject highway section proposed for naming at this time.

As a result of some confusion involving a recent Emergency Services response, Staff are recommending the subject highway section name be formalized by By-law as Sunset Boulevard. The properties fronting this highway section are currently numbered sequentially on Sunset Boulevard in the civic addressing program.
