**B.1 Public Art Committee**

The Committee invited the Clerk to join the meeting following the Committee's discussion regarding two recently announced vacancies that have resulted in a decrease of the committee's complement from 5 to 3. Corrina explained Council's decision not to advertise for replacement committee members to finish the Term of Council appointment period to the end of 2018. The Committee noted concern for the remaining members related to workload around the 2018 Municipal Art Program and events together and the increase in new research and planning efforts toward outdoor public art. Corrina advised she would take the Committee's comments back to Council. In the interim, the Committee noted they would like to reach out to past volunteers, particularly for assistance with the Jury Day in March.

## B.2 Outdoor Public Art Program – Planning

Peter led the discussion and a review of the committee's discussion at the October meeting to encourage and explore outdoor public art. He reviewed a work program from which a discussion paper will be drafted. Discussion included:

- Format for display - ideas such as a sculpture forest, sculpture park, visual art centre, downtown art, trail art etc.
- Location – existing land, parks, trails
- Budget – discussed first identifying plan detail before an ask is made
- Explore charitable giving and if the municipality give charitable tax receipts. Yvonne researched a law firm in Orangeville regarding the structure of charities, non-profits, publicly owned land and art ownership. She will further explore the Haliburton County Development Corp. and the organization structure
- Development of a plan – before meeting with the CAO and Treasurer suggesting the first meeting would not include a financial ask, but to identify what the committee is thinking about and to secure ideas and suggestions.
- Work Program – Peter will revise. He suggested the three members of the committee consider meeting outside the regular committee meetings.
- Background Research – discussed researching Town documents through the website and hard copies re the Official Plan, Leisure Activities Plan, and Strategic Plan etc. and to complete this homework before the preliminary meeting with the CAO and Treasurer.
- Provincial Legislation – Yvonne will look at Development Charges
- Funding Options & Models – explore ideas outside of the Town's budget
- Start thinking about how to identify titles e.g. Sculpture Forest

Action: Peter will review the Work Plan and resend to the committee. Yvonne will further research the Haliburton County Development Corp, provincial legislation and options for the municipality. The committee will have a post meeting work session at Town Hall following the December meeting.
