#### **A. Recommendations**

**THAT Council adopt Planning Staff Report No. PL.07.76, “Memorandum of Agreement – Grey Sauble Conservation Authority”, and**

**THAT Council approve the revised agreement; and**

**THAT Council authorize the Mayor and Clerk to execute said agreement.**

#### **B. Background**

Staff Report #PL.07.66, attached, was forwarded to Council on May 23, 2007 and Council received the report.

The Town, Grey Sauble Conservation Authority (GSCA) and the County of Grey staff communicated on May 30, 2007 and made recommendations to improve the review process including comment format.

As a result of our discussion with the GSCA and the County, there are no changes to the services to be provided by the GSCA (see Appendix A – Schedule 2) and would therefore recommend that the proposed changes to the Agreement be implemented.

#### **C. Strategic Plan**

By signing this Agreement will help clarify the review process of development application with economic sustainability of public agencies. This will meet Goal #1 – *“Managing Growth to ensure the ongoing health and prosperity of the community”*.

**D. Budget Impact**
