A. Recommendations

THAT the Director of Planning and Development Services receives Staff Report PDS.20.36, entitled “Delegated Site Plan Approval – Thornbury Cidery ADDENDUM 2 Report”;

AND THAT the Director of Planning and Development Services GRANT an amendment to the Conditional Site Plan Approval, as amended, issued under Section 41 of the Planning Act, subject to the following conditions:

1) That all drawings listed in the original Conditional Site Plan Approval, as outlined in Staff Report PDS.19.132, continue to be considered as the ‘Approved Drawings’ for the subject lands;

2) That all conditions of approval listed in the original Conditional Site Plan Approval, as outlined in Staff Report PDS.19.132, and as amended by Staff Report PDS.20.17, remain applicable with the exception of the following additional amendments:

a) That the following conditions are hereby inserted following Condition 2. xiii):

```
xiv) that tree removal on Town lands required to facilitate a connection to the municipal sanitary sewer system is hereby authorized as a condition of this Site Plan Approval and may proceed in accordance with a Tree Removal Plan submitted to the satisfaction of the Town and subject to the issuance of a Municipal Land Use Permit issued by the Town. As such a tree cutting permit is hereby not required pursuant to Tree Preservation By-law 2010-68, Subsection 3(e) provided that the Owner obtains a Municipal Land Use Permit.

xv) that tree replacement on Town lands is hereby authorized as a condition of this Site Plan Approval and may proceed in accordance with a Tree Planting Plan submitted to
```
the satisfaction of the Town and as required through a Municipal Land Use Permit.”

b) That Condition 3 be hereby deleted in its entirety and replaced with the following text:

“3) That a Site Plan Agreement shall be executed by the Applicant and submitted to the Town by May 8, 2020. All required securities and insurance certificates shall be submitted with the executed agreement.

In order to achieve the above timeline, it is recommended that the applicant submit a final submission addressing all outstanding engineering matters, and any other matter outlined under Condition 2 in advance of the aforementioned date to allow time for sufficient review of the materials and to allow sufficient time for the Town to prepare the agreement.

If a Site Plan Agreement is not executed by the Applicant by May 8, 2020, all site operations/construction shall cease until the Agreement is executed”.

B. Overview

The purpose of this report is to provide a recommendation to the Director of Planning and Development Services regarding a further amendment to the Conditional Site Plan Approval granted for the Thornbury Cidery. Conditional Site Plan Approval was granted by the Director on December 24, 2019, and a subsequent amendment was granted on February 5, 2020, in order to extend the timeline outlined in Condition 3 to April 3, 2020. The amendments subject to this report include the addition of approved Municipal Tree Removal and Replacement drawings, as well as amendments to permit further extension to the timeline outlined in Condition 3 in light of the current Provincial State of Emergency.

required to execute a Site Plan Agreement by February 7, 2020. If an agreement is not executed by this date, then all site works must cease until the agreement is signed.

A subsequent amendment to the conditions of Conditional Site Plan Approval was granted on February 5, 2020, through Staff Report PDS.20.17, in order to extend the timelines outlined in Condition 3 to April 3, 2020.

The applicant has requested a further extension to May 8, 2020, as a result of the province-wide State of Emergency currently in place. Staff also recommend that appropriate conditions be included in the approval to permit tree removal and tree replacement on municipal lands.

D. Background

A detailed analysis of the site plan application and proposed development is provided in Staff Recommendation Report PDS.19.132. Previous amendments to the conditional Site Plan Approval are outlined in Staff Recommendation Report PDS.20.17. This report is intended to provide a recommendation to the Director on the amendments currently requested only.

E. Analysis

Staff have reviewed the request and generally support the requested extension as the applicant is actively working with Town Staff to address outstanding site plan matters, including detailed engineering design.

Staff support the requested extension to the Conditional Site Plan Approval, subject to the additional conditions outlined in Staff Recommendation Report PDS.20.36.
