How can I speak at a Council or Committee of the Whole meeting?
If you wish to make a presentation to Council or Committee of the Whole at a regularly scheduled meeting, please complete the Deputation Form on the back of this flyer and return it to the Town Clerk.

Please note: We encourage delegates to make their presentation at the Committee of the Whole level, where possible.

Council routinely refers matters to the Committee of the Whole for detailed review and recommendation back to Council and contact first with the Committee of the Whole would expedite any process requiring a decision to be made by Council.

How long may I speak?
In accordance with The Town’s Procedural By-law, deputations are allotted ten minutes to address the members.

What is the procedure?
All comments are directed to and through the Meeting Chair. Members of Council or Committee of the Whole may, through the Chair, direct a response or question where appropriate. No more than one person shall speak at one time and at all times, proper language, speech and decorum shall be maintained. The Chair may direct that any person in violation of proper decorum be expelled from the meeting location.

What happens after I speak?
After you have spoken and answered any questions, please return to your seat and remain silent being cognizant of the fact it is now time for Members of Council/Committee of the Whole to debate the issue and make their decision or defer a decision pending additional information. Although the Mayor and Members of Council encourage the public to present their opinions, necessary decorum dictates that all opinions must be respected and outburst from the gallery cannot and will not be tolerated.

What is Committee of the Whole?
Committee of the Whole discusses issues in detail before making recommendations to Council. Committee of the Whole reports directly to Council. Committee of the Whole meetings are open to the public.
