Notice of Passing of a Zoning By-law

This is a notice about a decision of Council on a Zoning By-law Amendment Application for the lands at Part of Park Lot 10, Southwest Side of Louisa Street (Town Plot of Thornbury).

Council approved the application and passed By-law 2018-54 on October 9, 2018.

What was the purpose of the By-law?

The purpose of this by-law is to allow the development of 23 Townhouses on the subject property. The proposed zoning amendment requests to rezone the lands from the Development (D) zone to the Residential Multiple Exception 56 (RM1-56) zone. The RM1-56 zone limits the development to townhouse units, limits the number to 23 units, and allows for reduced yard setbacks. A copy of the By-law is attached to this notice.

How was Feedback from Public Consultation considered?

The Town received a number of letters and oral submissions at the public meeting in response to this proposal and heard a number of follow up deputations to Council. As a result, Council decided to add a Holding Symbol to the lands to restrict development until the final Site Plan is approved, as well as requiring that the final site plan be brought back to Council for their approval.
