What is being proposed through the applications?
This development requires three applications, a County of Grey Official Plan Amendment application, a Town of the Blue Mountains Official Plan Amendment application and a Town of the Blue Mountains Zoning By-law Amendment application. In order for the development to move forward, approvals are needed on all of these applications. The County makes the decision on the County and Town Official Plan Amendment applications and the Town makes the decision on the Zoning By-law Amendment.

If this proposal is approved, the amendments would change the permitted uses on the property to allow gravel extraction.

The County Official Plan designation would change from Rural to Mineral Resource Extraction. The Town of The Blue Mountains Official Plan designation would change from Rural to Extractive Industrial, and the Zoning would change from the General Rural Exception 209 (A1-209) to Extractive Industrial (M4), or other suitable zone to allow the proposed extraction uses. The proposed amendments to the Town of The Blue Mountains Official Plan and Zoning By-law also include some mapping corrections for the existing pit operation, to better reflect the uses of the lands.

The applications have been deemed complete, under the Planning Act, which means that it is now time to receive public feedback on the proposals. In deeming the applications complete, the County and the Town have enough information to seek public input on the development. No decisions have been made on the applications, and no decisions will be made until the public process has been completed.

Why this meeting is being held and what are your rights?
Within Ontario the planning and development process is an open and transparent process, where opinions from all individuals and groups are welcomed. By law a municipality must hold a public meeting, and this meeting is just one of your chances to learn about the development proposal and
offer your opinions. Under the legislation governing this development, which is sections 51 and 34 of the Planning Act, you have the following rights:

1. Any persons may attend the public meeting and/or make written or verbal representation either in support of or in opposition to the proposed Official Plan Amendments or Zoning By-law Amendment.

2. If a person or public body does not make oral submissions at a public meeting or make written submissions to the Town of The Blue Mountains before the Zoning By-law Amendment is approved or to the County of Grey before the Official Plan Amendments are approved, the person or public body is not entitled to appeal the decisions of the Town of The Blue Mountains or the County of Grey to the Ontario Municipal Board.

3. If a person or public body does not make oral submission at a public meeting, or make written submissions to the Town of The Blue Mountains before the Zoning By-law Amendment is approved or to the County of Grey before the Official Plan Amendments are approved, the person or public body may not be added as a party to the hearing of an appeal before the Ontario Municipal Board unless, in the opinion of the Board, there are reasonable grounds to do so.

4. If you wish to be notified of the decision of the Town of The Blue Mountains in respect to the approval of the Zoning By-law Amendment, or the County of Grey in respect to the passing of the Official Plan Amendments, you must make a written request to the Town or the County, at the addresses noted on the previous page.

If you have any questions please do not hesitate to contact County or Town staff, who would be happy to answer any questions on the matter.
