

****PUBLIC MEETING CANCELLATION****

Please note that the public meeting that was rescheduled for April 8, 2019 at the Town Municipal Office has been cancelled. The purpose of the Public Meeting was to hear any further comments about the proposed revisions to the Windfall Subdivision (42T-2010-03) and associated zoning by-law amendment (File P2697).

The Applicant has asked that the processing and review of the current applications be deferred at this time as they are considering further changes based on input received by the public and other matters.

The Applicant notes that the nature of the changes being considered could affect phasing, allocation of the single and semi-detached units, and minor servicing infrastructure details. The Applicant notes that it will take time for them to make these changes and submit revised applications.

Once the Town and the County have received revised submissions from the Applicant, we will notify you and also notify you of the new public meeting date.

Please do not hesitate to contact the Town or the County if you have any questions.
