**How can I speak at a Committee meeting?**

If you wish to make a presentation to a Committee during a regularly scheduled meeting, please complete the Deputation Form included in this package and return it to the Executive Assistant Committees of Council.

**How long may I speak?**

The Town’s Procedural By-law allots deputations up to ten minutes to address the Committee members.

**What is the procedure?**

All comments are directed to and through the Meeting Chair. Members of Committees may, through the Chair, direct a response or question where appropriate. No more than one person shall speak at one time and at all times, proper language, speech and decorum shall be maintained. The Chair may direct that any person in violation of proper decorum be expelled from the meeting location.

**What happens after I speak?**

After you have spoken and answered any questions, please return to your seat and remain silent being cognizant of the fact it is now time for Members of the Committee to consider the matter brought forward. Although Committees encourage the public to present their opinions, necessary decorum dictates that all opinions must be respected and outburst from the gallery cannot and will not be tolerated. Committees function in an advisory capacity only; decisions are made by Council.

**Committee of Council Meetings versus Council and Committee of the Whole Meetings**

Council has established various advisory Committees of Council to provide recommendations to Council on a variety of matters. The ultimate decision-making power still lies with Council on matters discussed at the Committee meetings.
