A. Recommendations

THAT Council receive Staff Report FAF.19.095 “Cooper & Soever Wedding – 109 East Ridge Drive (Lora Bay Golf Club) – Noise By-law Relief Request”; and

THAT Council grant relief from the provisions of the Noise By-law for a wedding on Saturday August 17th, 2019 at 109 East Ridge Drive (Lora Bay Golf Club) from 4:00 p.m. to 12:00 a.m. with a DJ playing music indoors.

B. Overview

This report provides the details of a request for relief from the provisions of the Noise By-law for Council’s consideration.

C. Background

The Town is in receipt of a request for relief from the provisions of the Noise By-law (Attachment 1) for a wedding on Saturday August 17th, 2019 at 109 East Ridge Drive (Lora Bay Golf Club) from 4:00 p.m. to 12:00 a.m. with a DJ playing music indoors.

D. Analysis

Section 3e) of the Noise By-law permits the making of noises or sounds related to the non-residential use of land permitted by a by-law enacted by the municipality pursuant to the applicable Zoning By-law from 07:00 to 19:00.

It is noted that outdoor events in themselves outside of 07:00 to 19:00 are not prohibited. The making of noise is prohibited in the instance where such events are likely to disturb the peace, quiet, comfort or repose of any inhabitant.

In accordance with the procedures set out in our Policy & Procedures for Noise By-law Relief Requests, notice to the residents within 120 metres was circulated. This is to confirm that two responses were received and are summarized as follows:
1. Resident does not give permission for exemption. Noise travels and though the DJ is inside the guests will be going in and out to/from the patio and the noise will impact neighbours every time the door opens; no way for staff to police this. If granted it will set a precedent for every time there is a wedding at Lora Bay.

2. Resident of Sunset Boulevard at Lora Bay fully supports the exemption.
