B. Overview

This report provides the details of a request for relief from the provisions of the Noise By-law for Council’s consideration.

C. Background

The Town is in receipt of a request from Community Services Staff for relief from the provisions of the Noise By-law (Attachment 1) for the “Woodstock 50” event at Bayview Park on August 18, 2019 from 1:00 p.m. to 9:00 p.m. with amplified live music. This event is an extension of the Music in the Park program that takes place at Bayview Park on Sundays throughout the summer.

D. Analysis

Section 3e) of the Noise By-law permits the making of noises or sounds related to the non-residential use of land permitted by a by-law enacted by the municipality pursuant to the applicable Zoning By-law from 07:00 to 19:00.

It is noted that outdoor events in themselves outside of 07:00 to 19:00 are not prohibited. The making of noise is prohibited in the instance where such events are likely to disturb the peace, quiet, comfort or repose of any inhabitant.
In accordance with the procedures set out in our Policy & Procedures for Noise By-law Relief Requests, notice to the residents within 120 metres of the event location was circulated. Due to the timing of the application in relation to the last Council meeting on July 15, 2019, before Council’s summer break, the deadline for residents to submit comments exceeds the date of submission for this report. As of the date of submission of this report no responses were received, however, any additional information will be provided by a representative of the Enforcement Services Department at the Committee of the Whole meeting on July 3, 2019.
