To Whom It May Concern,

My wife Jenn and I were the first to build and reside in Peaks Bay and are on Lot # [REDACTED]. I am writing to you as all my waterfront neighbours have with regard to the upcoming council meeting and that we are all in favour of the proposal for option 3. Please be aware that we have read all the letters that have been sent to you and we agree with all of the content in them and have the same concerns and opinions.

We sincerely hope that option 3 is the direction that is taken, please feel free to reach out to me if you would like to discuss further,

Stephen Willson, Jenn Ardill
