A. Recommendations

THAT Council receive Staff Report FAF.19.189 “Run Blue Mountains – 58 Alfred Street West (Beaver Valley Community Centre) – Revision to Noise By-law Relief Request”; and

AND THAT Council grant relief from the provisions of the Noise By-law for the “Run Blue Mountains” event at the Beaver Valley Community Centre (BVCC) on October 20, 2019 from 8:00 a.m. to 4:00 p.m. with amplified loud speakers and music.

B. Overview

This report provides the details of a request for relief from the provisions of the Noise By-law for Council’s consideration.

C. Background

The Town is in receipt of a request from Community Services Staff to extend the approved hours of relief from the provisions of the Noise By-law (Attachment 1) for the “Run Blue Mountains” event at the Beaver Valley Community Centre (BVCC) on October 20, 2019 from 8:00 a.m. to 4:00 p.m. with amplified loud speakers and music. This request was previously put forth at the April 8th Committee of the Whole meeting, with the requested hours being 8:00 a.m. to 12:00 p.m.; Council resolved to grant the request.

D. Analysis

Section 3e) of the Noise By-law permits the making of noises or sounds related to the non-residential use of land permitted by a by-law enacted by the municipality pursuant to the applicable Zoning By-law from 07:00 to 19:00.

It is noted that outdoor events in themselves outside of 07:00 to 19:00 are not prohibited. The making of noise is prohibited in the instance where such events are likely to disturb the peace, quiet, comfort or repose of any inhabitant.
The “Run Blue Mountains” event had a similar request in 2018 and Council resolved to grant the Noise By-law relief as requested; from 7:30 a.m. to 2:00 p.m. The request for the October 20, 2019 “Run Blue Mountains” event was previously put forth at the April 8th Committee of the Whole meeting, with the requested hours being 8:00 a.m. to 12:00 p.m.; Council resolved to grant the request. This request has since been revised to extend the approved hours of Noise By-law relief until 4:00 p.m.

In accordance with the procedures set out in our Policy & Procedures for Noise By-law Relief Requests, notice to the residents within 120 metres of the event location was circulated. Due to the timing of the application, the deadline for residents to submit comments exceeds the date of submission for this report. As of the date of submission of this report no responses were received, however, any additional information will be provided by a representative of the Enforcement Services Department at the Committee of the Whole meeting on September 16, 2019.
