H. Other Reports

H.1 Trustee Council #3 Update
Joanne Vivona provided a verbal report of the Trustee Council 3 meeting at Flesherton Public Library. SOLS provided information at this meeting that they have received a 53% reduction and as a result have cut 29 staff for a significantly reduced available service. ILLO funding was discussed, with the future of the program. At this time there are no expectations for changes to ILLO, however, the National Book Rate was noted as expiring and new national contracts will most likely see increases to mailing costs, further impacting the new ILLO program.

H.2 Craigleith Heritage Depot temporary Closure Report
The CEO updated the report verbally, based on meetings which occurred after the report was circulated. Ongoing meetings will be occurring throughout the remediation program. The TBM staff and CEO with CHD staff will be working together on remediation. A TBM staff report will be presented to Committee of the Whole (CoW) on December 9th. Through this report, an emergency approval for funds are expected to be requested for remediation including radon remediation, HEPPA scrubbers, and an RFP for engineering analysis of the HVAC.

I. Roundtable

I.1 Roundtable—General updates by the Board
1) The Board discussed community and regional activities and events the members may wish to attend.
2) Members were invited to attend the OLA Super Conference OLBA’s Bootcamp on February 1, 2020. Dorothy Cammaert offered to attend. Gary Zalot (by email) also asked to attend. The CEO will register these members for the program.
3) The CEO updated regulations on the PLA. At this time the direction being investigated is the amount of meetings required per year for Boards. A drop from the 10 minimum to 4-5 minimum is being considered. BMPL may still choose to have additional regular meetings in our by-laws. Additionally, the PLA Regulations on membership are also being discussed for amendment. The proposed change includes opening up membership to include citizens and permanent residents (as opposed to citizens only). No timeline is known for these proposed changes to the legislation.
