Notice of Complete Applications

Applications for Official Plan and Zoning By-law Amendments

Property Location: 6th Side Road (Conn Pit), east of Gibraltar

What is being proposed?

The proposal is to expand the existing Conn Gravel Pit onto the vacant area of the property (east side of property). This proposal requires Town Council and Grey County approvals, and the applicant has applied for Official Plan and Zoning amendments to seek permission to expand the gravel pit. A sketch of the existing gravel pit and proposed expansion is shown on the back of this Notice.

If this proposal is approved, the amendments would change the permitted uses on the property to allow gravel extraction. The Official Plan application requests to change the land use designation on the property from Rural to Extractive Industrial, and the Zoning Amendment application requests a zoning change from the General Rural Exception 209 (A1-209) to Extractive Industrial (M4) or other suitable zone to allow the proposed extraction uses.

The proposed amendments to the Official Plan and Zoning By-law also include some mapping corrections for the existing pit operation, to better reflect the uses of the lands.

An application for Official Plan Amendment was also submitted to the County of Grey.

The property is legally described as Concession 3, North Part of Lot 6, RP 16R9097 Part 1, in the Town of The Blue Mountains.
