**RE: Site Plan Approval Application – Second Submission
Lora Bay Masters Phase 4 – Block 39**

Sherwood Homes is pleased to submit this second submission for Site plan Approval of the lands known as Block 39 of Lora Bay Masters Phase 4 (the "subject lands").

Please find within this submission the following:

- Municipal Comment Response Matrix;
- Revised Site Plan Drawing set, prepared by Symbolics Architecture;
- Revised Servicing and Grading set, prepared by Crozier Engineering;
- Revised sanitary and Storm design sheets, prepared by Crozier Engineering;
- Landscape Set, prepared by Stantec.

We trust the enclosed documents satisfies the comments and requirements received in the first submission for the proposed site plan approval application.

We look forward to continuing working with you through this site plan process.

Yours truly

Ed Amaya
Development Manager
Sherwood Homes
