

October 15, 2021

Mr. Trevor Houghton, MCIP RPP
Manager, Planning Services
Town of The Blue Mountains,
Mill St, Thornbury, ON

Dear Mr. Houghton,

**RE: Manorwood Thornbury
Cidery Townhomes - Huron-Elgin Streets
Site Plan Application: Town File No. P3036
Second Submission**

Application for Site Plan Approval was submitted in April, 2021. We received Circulation/Review comments in August and September 2021 and have been working on addressing them. Please accept this along with our support materials included as our complete Second Submission. Please note we have included our updated comments matrix is included with this submission.

With this submission, please find our updated engineering, landscape and architectural plans. We understand your office is in the process of obtaining peer reviews of our previously submitted noise, environmental and traffic reports.

We look forward to your review of the materials provided and are available at your convenience to provide clarification or additional information to assist in processing.

Yours Truly,

A handwritten signature in blue ink, appearing to read "Colin Travis".
