  - Provided minor improvement suggestions.
  - Created private interactive map of each waterfront access.
- 
- Currently:
  - Review and finalize waterfront access document.

## FACILITIES – MUNICIPAL

- Currently working on.
- Reviewing what our municipal facilities host.
- Provided 3 questions to the community centre and library manager:
  - What are the current and some past activities/services the \_\_\_\_\_ hosts prior to Covid-19 – example; Kid Zone, Tournaments.
  - What could the \_\_\_\_\_ host or be interested in hosting in the future without Covid-19 restrictions – example; Exhibits or cooking courses.
  - What would improve the use of the facilities, if any. – example; marketing for programs, Community engagement.
- Providing what currently is provided at each municipal facilities through a document.
- Establishing a word document.

## FACILITIES – COMMERCIAL

- Currently working on.
- Using google as a search engine.
- Currently 5 attractions.
- 4 golf clubs / courses.
- 5 ski clubs.
- Each commercial property has an outline on a word document.
- Using website of the commercial property.

## FACILITIES - DEVELOPMENTS

- Currently working on.
- Looking at residential, timeshare / hotel developments.
- Establishing a word document.
- Using Google as a search engine.

## FACILITIES

- Will have a total of Municipal, Commercial & Development pools, Courts, Clubhouses, etc...
- Creating a private interactive map with each facility included in the municipality.
- Request an updated annual maintenance cost for running municipal facilities.
- Review and finalize word document.

## NEXT STEPS

- Decide on creating a cemetery profile.
- Complete all word documents.
- Put everything into one document and folder.
