

Staff Report

Planning & Development Services – Planning Division

Report To: Committee of the Whole Meeting
Meeting Date: March 29, 2022
Report Number: PDS.22.050
Title: Cottages at Lora Bay Phase 5 – Holding ‘-h7’ Removal
Prepared by: Trevor Houghton, Manager of Community Planning

A. Recommendations

THAT Council receive Staff Report PDS.22.050, entitled “Cottages at Lora Bay Phase 5 – Holding ‘-h7’ Removal”;

AND THAT Council enacts a By-Law to remove the Holding ‘-h7’ symbol from those lands legally described as Part Lot 39, Concession 12 being Part of Lots 1 & 3, Registers Compiled Plan 1032 (Cottages at Lora Bay, Phase 5, being Vacant Land Condominium Plan No. 127.

B. Overview

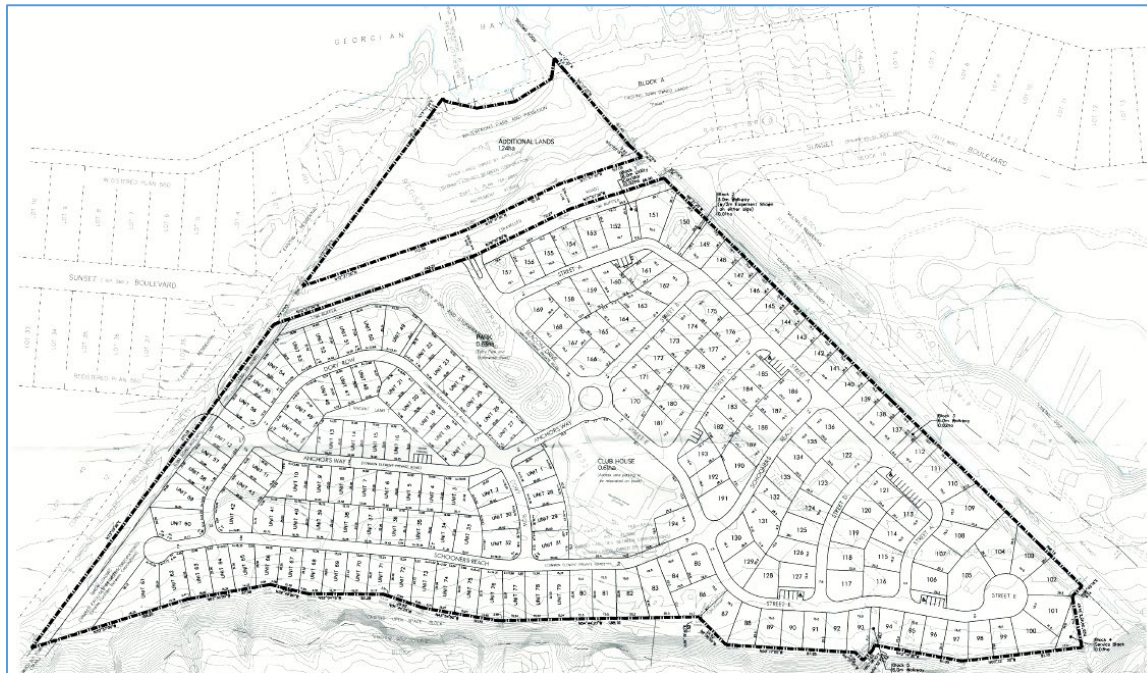

The purpose of this report is to recommend that Council authorize the removal of the Holding ‘-h7’ symbol from the subject lands. These lands are the Cottages at Lora Bay (Phase 5) development. The removal of the Holding ‘-h7’ will allow for Building Permits to be issued for Vacant Land Condominium Plan No. 127.

C. Background

Draft Plan of Condominium 42-CDM-2006-11, known as the Cottages at Lora Bay (Keepers Cove) is located south of the intersection of the 39th Sideroad and Sunset Boulevard.

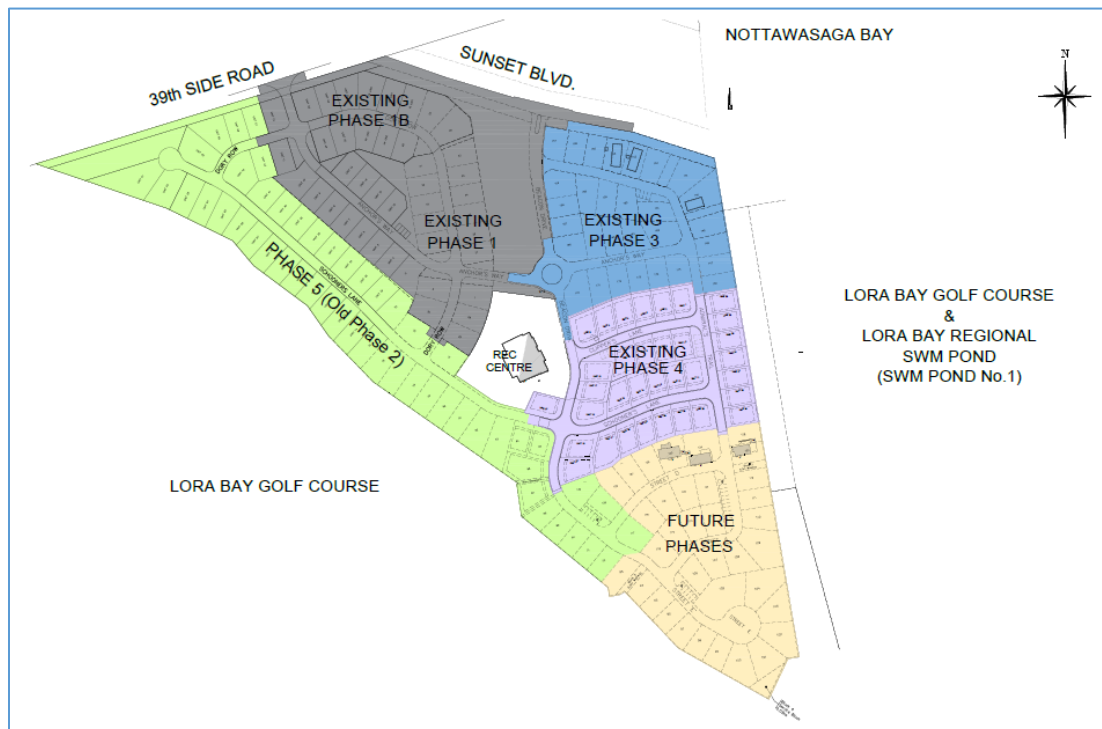

This project received Draft Approval in October 2006. Since 2006 the project was subject to a Redline Revision application approved by the County of Grey in August 2017. An excerpt of this revised (and now current) Draft Approved Plan is provided below in Figure 1.

Figure 1: Current Draft Approved Plan (2017)

As the project has matured various Condominium corporations have been created that have established the form of the property ownership tenure. Phase 5 is the next stage of residential development to occur on site. An excerpt of the various phases for the whole of the Cottages at Lora Bay project is provided below in Figure 2.

Figure 2: Project Phases

The Cottages at Lora Bay (Phase 5) has subsequently been legally subdivided as Vacant Land Condominium Plan No. 127. An except of Vacant Land Condominium Plan No. 127 is provided below as Figure 3.

D. Analysis

The Owner has made application to remove the Holding ‘-h7’ symbol from the subject lands to allow the issuance of Building Permits to construct new dwellings for newly created Vacant Land Condominium Plan No. 127. Prior to the removal of the Holding ‘-h7’ symbol from the lands the following two (2) conditions need to be completed to the satisfaction of Council;

1. Execution of a Development Agreement, and
2. Granting of Site Plan Approval or the Registration of a Plan of Condominium.

Development Agreement

A Development Agreement executed between 1382491 Ontario Limited, Blevins Development (Cove) Ltd. and The Town of The Blue Mountains dated November 9, 2021 was registered onto the title of the subject lands as Instrument No. GY216826 on November 10, 2021.

Registration of a Plan of Condominium

The Land Registrar registered Vacant Land Condominium Plan No. 127 in the Land Registry Office for the Land Titles Division of Grey No. 16 on December 22, 2021.

Conclusion

Based on the above analysis, Planning Staff recommend that it is now appropriate for Council to enact and pass a By-law to remove the Holding ‘-h7’ symbol from the subject lands as identified in Schedule “A-1” of the Draft By-law attached.
