*Municipal Elections Act, 1996*

May 2, 2022

TO: Registered Third Party Advertisers

In accordance with the Municipal Elections Act, section 88.21(6), the Clerk shall provide Registered Third Parties a **Preliminary** calculation of maximum expense limits at the time of filing, based on the number of electors on the Voters' List as of Nomination Day of the previous election (being September 15, 2018), including any changes made that day.

On or before September 26, 2022 the Clerk shall provide a **Final** Certificate of Maximum Expense Limits to each Registered Third Party.

The number of electors to be used in the final calculation is to be the greater of the number of electors for the office from the Voters List as it existed on Nomination Day of the previous election, including changes made on that day, or the number of electors on September 15 in the year of the current election, including changes made on that day.

**Preliminary Calculation of Maximum Expense Limits for Registered Third Party Advertisers:**

\$5,000.00 plus \$0.05 per elector (11,770 electors on Nomination Day, 2018) = \$5,588.50
