Dear Mr. Roper and Mr. Sandberg:

Further to your correspondence, please be advised that under the authority delegated to the Director of Planning by County Council, I hereby grant your request for extension of draft approval for the above noted file for three (3) years to **November 13, 2026**, under Section 51(33) of the Planning Act, RSO, 1990 as amended.

Correspondence from the Town of The Blue Mountains dated June 26, 2023, which outlines support for the extension request is on file.

Please advise the County well in advance of the new lapsing date if a further extension is required. Draft approval can be extended upon receipt of the necessary documentation and fee.

I trust you find this satisfactory. Should you have any questions, please do not hesitate to contact me.
