Dear Resident and/or Property Owner:

Re: **PRE-CONDITION SURVEY**
Town of Blue Mountains
Substandard Watermain Replacement – Phase 2
Contract No: 2023-46-T-OPS
Blue Mountains, ON

Construction operations are scheduled to commence in the near future.

We are conducting a survey of property next to the project site to verify existing conditions. This includes your property at no cost to you.

To arrange the survey, call or email as soon as possible:
Toll free 1-800-667-8263 extension 231 or email appt@ozainspections.com
Indicate your name, address, telephone number and refer to File: 22570
Please advise if we may inspect your building exterior at any time.

SMRS Construction is carrying out this construction project on behalf of the Town of Blue Mountains. Work will involve watermain replacement on Woodland Park Road and Napier Street West.

This condition survey is important in the unlikely event that issues arise during the construction. Survey involves an interior and/or exterior inspection and documentation of buildings and structures determined to be in close proximity to the project work area. Photographs are taken as part of the survey. While the preconstruction inspection is voluntary, your permission and cooperation in helping us complete this survey as soon as possible is greatly appreciated.

Should you have any questions concerning the project you may contact the office for SMRS Construction at 519-369-1483.

Yours truly,
OZA Inspections Ltd.

Michael Green
Vice President
