## Notice – Lora Bay Maintenance Access Road Temporary Closure

The Town would like to advise residents that the installation of a new culvert crossing the maintenance access road which connects to Sunset Boulevard will be taking place as part of the ongoing Lora Bay Boulder Channel Drainage Improvements project. This work will occur on August 22nd, 2023 and August 23rd, 2023 (weather permitting).

The maintenance access road will be closed during this time, and access will not be permitted for pedestrians or vehicles. The map below illustrates the location where work will be taking place and the section of the maintenance access road which will be closed.
