EXECUTIVE SUMMARY

Irvin Heritage Inc. consulted with the Saugeen Ojibway Nation and the Huronne-Wendat Nation. A representative from Saugeen Ojibway Nation had two representatives participate in the Stage 2 Archaeological Assessment.

Saugeen Ojibway Nation and the Huronne-Wendat Nation were provided with copies of the completed archaeological assessment report.

No concerns were noted by either Nation with the archaeological assessment or associated reporting.

Hi Tom,

SON Archaeology has reviewed the report and we do not have any concerns with it. If any archaeological resources are found on the site in the future, please contact SON immediately.

Kwe Thomas,

I hope this email finds you doing well.

Our team has reviewed the Stage 1-2 archaeological assessment report for Part of Lot 31, Concessions 9 & 10 and Part of the Road Allowance Between Concessions 8 & 9, and found everything satisfactory. We have no modification requests or other comments.
